

Erasmus Student Network
Poznań

Students helping students

ESN Poznań is a group of students who aim to:

- Welcome and assist exchange students during their stay in Poznań*
- Guide local students through the process of going abroad for their exchange*

Erasmus Student Network

*There are over 500 similar groups in
45 countries.*

In Poland, there are 27 of them so far.

In Poznań – 3.

We're all connected in the ESN brand.

What do we do?

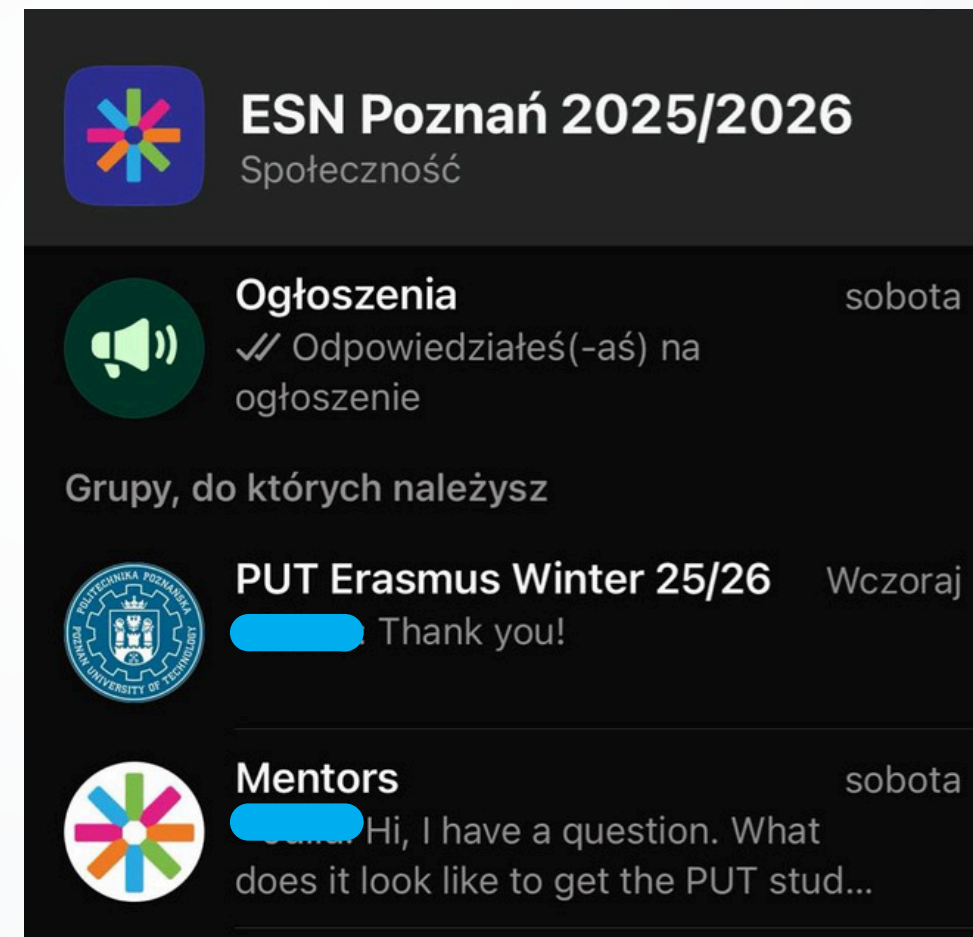

Communication

The first and basic step we take when contacting Erasmus students is to set up a group on WhatsApp.

This is a space for them to solve problems and make contacts.

ESN Buddy Programme

Its purpose is to connect students from Poznań (Mentors) with students participating in the Erasmus+ programme (Mentees).

The Mentor's role is to be a direct and individual support for the Mentee. Depending on the needs, the Mentor picks up the Mentee from the airport/train station, helps analyse the schedule, shows him/her around the city, etc
