Dear partners, students,

We are excited to welcome you to our upcoming Erasmus+ Blended Intensive Programme here in the Alytus Faculty of Kauno kolegija HEI this coming May! This unique experience will bring together students from Europe to learn, share ideas, and create memories in a vibrant and supportive academic environment.

As you embark on this journey with us, get ready and explore the city of [Alytus](#) before your arrival. Alytus is known for its scenic beauty, warm hospitality, and greenery, therefore we are confident that your time in Alytus will be both educational and inspiring.

How to get there?

Your journey from Alytus Bus Station to the hostel would take approximately 20 minutes and can be made easily using the city's public transportation system:

City Bus & Minivans – look for the green and white buses or minivans and take **No. 4, 4A, 6, 7, or 10A** for the fare of **€1.20**. You will find the schedules at every bus stop, however try checking it online before arrival on [Routes and Timetables](#)

Cross the Nemunas river bridge and disembark at the second stop called **Pirmojo Alytaus aikštė**. Walk to the right side towards the Nemunas riverbanks. You will see the dormitory in front at your right side after passing the kinder garden.

Taxis - if taxi is a more convenient option for you, download **BOLT** app on your phone before arrival and use this service instead of the public transport. **Enter the address of dormitory – 14 Studentų Street, Alytus.**

If you're **driving**, use GPS and enjoy free parking in front of the Alytus Faculty.

For those looking staying at the heart of the city, explore the options of hotels like [Senas Namas](#) (24 Uzuolankos Street, Alytus), [Vaidila](#) (12 Rotuses square, Alytus).

CATERING

While our faculty does not have a canteen, Alytus offers a variety of dining options to suit different tastes and preferences. Here are some recommended restaurants and cafes: [Dzuku Alaus restaurant](#), [Lisushi](#), [Carpe Diem](#), [Alanija Kebab](#) and others.

For further details about Alytus, including attractions, events, and other services, consider visiting the [Alytus Tourism Information Centre](#).

While we are designing the programme to cover activities and some meals, we would like you to bring small national treats from your country and prepare a short presentation to get to know each other better during the intro networking session. We also recommend bringing a personal laptop which would be handy for your study sessions and swimming suits.
