# SUNDAY WORKSHOPS

## "Public Speech" workshop

Radomir Wit, a great speaker and a political journalist, who has been with TVN24 since 2016. Radomir is a parliamentary reporter, author and presenter of the programme #BezKitu, as well as the series "Sejm Wita" on the TVN24+ platform. In 2023, he published the book "Sejm Wita. Czyli czego nie mówią wam politycy?", which topped the bestseller lists.

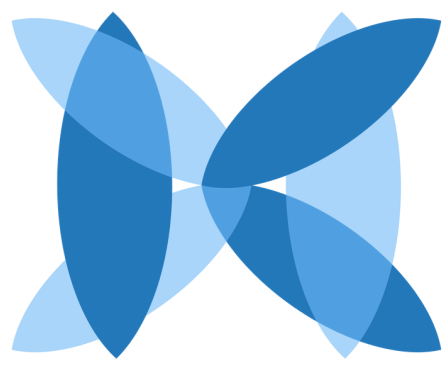

**RADOMIR WIT**

## "AI in academic research" a practical workshop

Max Małecki is a Tech Lead at the insurtech Insly. He works at the intersection of business and engineering teams, but at heart he's still an engineer who can't stop coding. As an Eskadra Bielika trainer, he teaches developers how to wire Polish Bielik models into real production systems. He also runs workshops and courses on agentic AI and AI architecture.

# SUNDAY TOURIST ATTRACTION

## PEBU Observation Deck

One of the newest tourist attractions in Poznań, located at the top of the Collegium Altum building of the Poznań University of Economics and Business. From a height of over 70 metres, visitors can enjoy a unique panoramic view of the city, including the Old Town, Cathedral Island, the Citadel Park, and Poznań's modern districts. It is a perfect place to relax, take memorable photos, and admire the capital of the Greater Poland region from a completely different perspective.

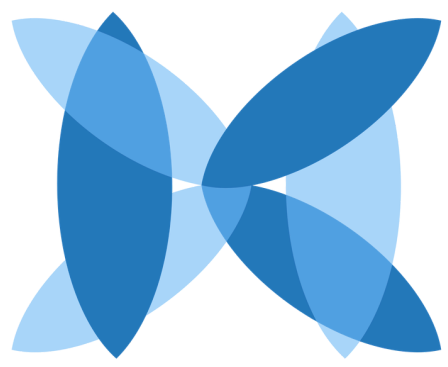

## Poznań Potato Museum "Pyra" Museum

One of Poznań's most unique and entertaining attractions, dedicated to the potato – known locally as pyra, a symbol of the Greater Poland region. Through interactive exhibitions, live demonstrations, and a generous dose of humour, visitors can discover the history, cultural significance, and culinary traditions associated with potatoes in Poznań and Wielkopolska.
